THE Latino Leadership Club (LLC): A unique and exceptional development experience

LLC Testimonials

“The Latino Leadership Club workshop **completely transformed how I approach my education and career.** It taught me to work smarter, take ownership of my journey, and lead with purpose.”

“The LLC helped me to improve my personal brand, executive presence and communication style. **The visibility of my leadership style is now amplified, and I became a stronger and assertive leader.**”

“As a graduating college student, the LLC gave me the tools and confidence to network with people in industry – **as a result, I landed my first job!**”

The LLC **helped me see my culture as a strength**, not a barrier. It gave me the tools and language to lead with authenticity, speak up, and advocate for myself—without leaving my identity behind.

“**The LLC helped me rediscover my voice and power as a Latino leader.** It provided a safe space to open up, connect, and elevate my leadership with purpose and confidence.”

The Latino Leadership Club **was more than a learning experience; it was a call to action.** Designed by a Latino for Latinos, this program created a powerful space to share, reflect, and grow alongside others who truly understand our lived experiences.

“I enjoyed how Ref was very thoughtful and intentional with the content creation. From the videos, readings from the book, homework, group discussions, to guest speakers...I have learned so much! I **left feeling inspired and with a framework to achieve my leadership goals.**”
